### **WELCOME ALL to Barrington's Memorial Day 2022 Remembrance and Celebration!**

After a long COVID lull, we have reimagined the Town's observance while keeping the focus on honoring our veterans. Each element of the day has been thoughtfully designed to create opportunities to honor, learn and celebrate, while instilling a sense of community.

Our three-part event will include a solemn ceremony recalling the departed at Victory Gate at Barrington High School, followed by a celebratory parade from the High School to Town Hall, and capped off by a formal ceremony that will include first-person experience, poetry, and music.

We have planned a program that represents the core of what veterans have fought for and also reflects the ideals of "life, liberty, and the pursuit of happiness" — ideals that are not only enshrined in the Declaration of Independence but that are at the very core of our community.
